## **NCOIL PRESIDENT ANNOUNCES FOUR PART LEGISLATIVE STAFF TRAINING**

*Educate Staff about Risk Management and Insurance*

---

Manasquan, NJ – In collaboration with The Institutes Griffith Insurance Education Foundation, the National Council of Insurance Legislators (NCOIL) is pleased to announce a new four-part "Fundamentals of Insurance for Legislative Staff" training program.

"An NCOIL staff training program in collaboration with The Institutes Griffith Foundation is a natural extension of the work we've done together to educate legislators" said LA. Sen. Dan "Blade" Morrish, NCOIL President. "Like myself, so many legislators are term limited and this program is a resource so staff understands insurance public policy when legislators with long insurance committee service are termed-out and retire."

The non-partisan, non-advocative program will consist of an introductory webinar on May 14<sup>th</sup> at 2 pm ET, two in-person trainings at the 2019 NCOIL Summer Meeting in Newport Beach, CA on July 12<sup>th</sup>, and a concluding webinar in the fall. The schedule is below:

Session I - Risk Management and Insurance Overview for Public Policymakers: Examining the application, social utility, and fundamental workings of RMI.
